

The Top Eight Places to Eat

As voted for by the staff at Terence Painter Properties

*Everybody has to eat,
To live, for fun or as a treat.
We've tried out some places to go,
Places that you may not know.
We reckon that these places are really good,
And you should try them, if you could.
We've given you our top eight,
And if you don't think they really rate.
There's space on the list to add your own,
With space for the number for you to phone.
To book a restaurant for a special night,
Where you will enjoy every bite.*

The staff at Terence Painter Properties have voted all of the Restaurant choices. There are so many lovely restaurants and places to eat, throughout the whole of Thanet and the surrounding villages, that we found it hard to choose our top eight. We hope you enjoy compiling your own list of your favourite places to eat.
